

Jacob Figueroa

Junior Full Stack Web Developer
(651) 434-5212 jacob.r.fig1@gmail.com

Summary

I am a Junior Full Stack Web Developer. My training specialized in everything from building simple web pages to complex web applications. I have worked with relational and non-relational databases and have experience using testing frameworks such as Jest. I recently completed my training and education at the University of Minnesota boot camp, excelling in team-based projects and complex assignments. I am a patient problem-solver who values ongoing professional development and a team member who enjoys challenges.

Technical skills

- HTML
- CSS
- JavaScript
